**MEMORANDUM FOR THE RECORD**

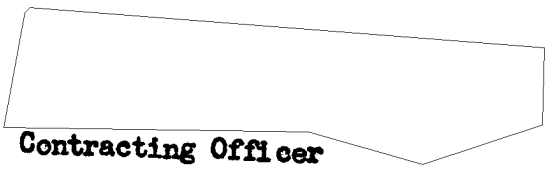

**SUBJECT:** Concurrence in Contract No. HF-CT-699 with The Ramo-Wooldridge Corporation, Los Angeles, California, AZAROLE, Project CHALICE and Air Force

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 5.
2. This is a Fixed-Price-Open-Call type contract for use by Project CHALICE and FOG in ordering equipment, spare parts, modification kits, component parts, and data for equipment previously procured, or which may hereinafter be manufactured by the Contractor, for the Project and FOG under Contract No. A-101. The Contract provides for establishment and incorporation of a Fixed Pricing Formula for certain periods of time and is effective for the period 1 November 1958 through 30 June 1959, with a provision for extending the contract for an additional period of time if desired by the Government.
3. FY 1959 CHALICE funds in the amount of \$20,000 should be obligated to cover CHALICE requirements. FY 1959 Air Force "No Year" funds in the amount of \$30,000 should be obligated to cover their requirements. The above results in a total obligation of \$50,000 for Contract No. HF-CT-699. By concurrence to this memorandum the Comptroller signifies that funds are available for this additional obligation.
4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under section 10(b) of Public Law 110, 81st Congress, for each contract.
